

Mission

ACBSP promotes continuous improvement and recognizes excellence in the accreditation of business education programs around the world.

ACBSP. Igniting a Standard of Excellence

Founded in 1988, the Accreditation Council for Business Schools and Programs (ACBSP) is a global business education accrediting body and **the only organization to offer accreditation to all levels of collegiate business educational degree programs from associate to doctoral.**

ACBSP ignites a standard of excellence with an accreditation process based on the Baldrige Education Criteria for Performance Excellence. By evaluating aspects of leadership, strategic planning, relationships with stakeholders, quality of academic programs, faculty credentials, and educational support, ACBSP assesses whether or not business programs offer a rigorous educational experience and commitment to continuous quality improvement.
